RAID RESULTS FROM BEGGAR'S ADMISSION

Several Men Caught in Alleged Gambling Den and Arrested.

Special to The Tribune.

OGDEN, Nov. 24.—The inadvertent admission of James Todd, a mendicant, nicked up on the streets this morning while begging the price of a meal from passersby, that he had lost his money while gambling, led to a raid on a room adjoining the Elephant saloon, a little after 2 o clock this afternoon, by seven members of the police department, and the arrest of four men suspected of gambling resulted.

the arrest of four men suspected of gatu-bling resulted.

When Todd was asked if he had any occupation, he replied that he had money until that morning, but had lost it gam-bling. He told the officers that he had sat' in a game of poker in a room above Kurtz's pawn shop, which adjoins the Elephant saloon.

Capitain of Police Brown. Detective Pender and Patrolmen Kelliher, Mohlman, Lane, Herrick and Vance surrounded the place and made a dash for the room be-fore the "lookout," posted outside, could give any warning. Frank Parks William Orr, W. S. Holland, S. S. Rhiner and sev-eral Japs found in the com were ar-rested and leeked in the city jail pending an investigation.

The raid this afternoon followed closely on the heels of last Saturday's raid on the Globe saloon and the revocation of George Free's license by the city coun-cil, which is now being contested in the courts.

Charles Creighbaum, a member of the

Churles Creighbaum, a member of the firm of Creighbaum & Peterson, who until the gambling houses of the city were closed, conducted a licensed gambling hall over the St. Louis sulcon, was arrested tonight, charged with keeping a gambling house in violation of the city ordinances. S. P. Cole and J. Meyer were held as witnesses.

S. P. Cole and J. Meyer were near as witnesses.

Chief of Police Browning and Detectives Pender and Burke forced an entrance into the hall tonight where several porsons were found who were believed to have been gainbling.

The police of Ogden have shown unusual activity in the past few days toward the suppression of gambling and have already made a number of raids.

HUBBY MEAN AND WIFE WANTS DIVORCE

special to The Tribune

OGDEN, Nov. 21—Since their mar-lage, November 8, 1965, the month of November has proven to be an ill-fated

season of the year for Nettle L. Stephens and Joseph F. Stephens according to Mrs. Stephens complaint for divorce filed with the county clerk today. On November 15, 1908, Mrs. Stephens says, her husband struck her, and on November 22 last he entered the home while abe was living ill in bed and took possession of Earl Stephens, one of the minor children, without her consent and against her protests retains the child.

Mrs. Stephens says that her busband is possessed of a mean and irritable disposition. She asks the court to grant her a divorce the costs of the suit attorney's fees, reasonable alimony and the custody of the two children.

Special to The Tribune.

OGDEN, Nov. 24.—As the result of at its investigation, started early this morning by Patrolman Crompton. Charles Riley. Jim Riley and Charles Jennings were arrested and will be charged with robbing a Southern Pacific hey car November 2 and stealing ton pairs of shoes.

A pair of the shoes, believed to have been disposed of at a second-hand store conducted by "Italian" los on Grant avenue, was recovered by the police. The Italian will probably be charged with respectiving stolen goods, and the three men with burglary.

FOUR MEN INVOLVED

will be feasible to operate a number of gaseline launches up and down the river between here and Green River, and to investigate the land in the vicinity of Moab to ascertain how valuable the land would be for fruit growing purposes. Big preparations are being made to entertain these visitors. A big banquet will be given and the visitors will be shown over the town and country in carriages. A big date will be given in the evening in honor of the visitors. The public schools will give a parade, and every effort possible will be put forth to show the visitors that Moab citizens are awake. A splendid display of fruit has been arranged in one of the store rooms, and every one is joining in the preparations.

DAVID COLEMAN'S BODY

LAST RITES HELD OVER

Special to The Tribune.

EUREKA, Nov. 24.—This afternoon the officers and members of Tintle lodge No. 711, B. P. O. E., conducted the last sad riles of their order over the remains of Fraternalist David Coleman, who died at the Holy Cross hospital in Salt Lake Monday. At the conclusion of the lodge services at the pavilion, the body was taken to St. Patrick's, where Rev. Father Mauniou performed the last sacred riles of the church. The remains were laid at rest in the Elks' lot in the Eureka cometery.

Mr. Coleman was a native of New York state and was 45 years of age. He leaves two small children, a son and daughter. For the past fifteen years Mr. Coleman was engaged in mining in Tintic and had many friends here, who sincerely regret his demise. He was a member of the local ledge of the Woodmen of the World and carried a policy in that order for \$2000 for his little ones.

SANDY NOTES

SANDY Nov 24—While driving along State street near Midvale this morning. James Strong figured in a fively rungway. As he was nearing the railroad tracks the double trees broke and the horses started to run. After running a BOSTON, Nov. 24.—The Park City since about a o'clock this morning.

A. D. Penrold of Heber City was arrested a few days ago for selling unwisidesome food to consumers in Park City bought some meat from Mr. Penrold one day last week and found it to be in an advanced stage of decomposition. It seems that the beef had been diseased before being killed, and upon complaint of Mrs. Olmal a warrant was issued for Mr. Penrold, who asked for a continuance until a week from next Thursday. December 5 and there being no objections the continuance was granted.

than were this year. Building will continue during the entire winter.

President Cordley of the Pacific & Idaho Northern railway invited a number of Weiser's leading business men to go to Evergreen, the terminus of the road, last Sunday. At Evergreen a sumptuous repast was served to his guests by President Cordley.

A. S. Clarke, an insane sheephender, was taken to the insane asylum at Blackfoot yesterday. Clarke was found wandering through the hills in the vicinity of Midvale, and brought to this city, where he was examined, with the result that he was ordered taken to the asylum. He has been acting queerly for some time past. Authorities are pretty well united in he opinion that ordinary care on the eart of the individual greatly lessens

MAY START LITIGATION OVER AEROPLANE RIGHTS

SAN JOSE, Nov. 24—Wilbur and Orville Wright and other aviators may soon be made defendants in suits brought by Professor J. J. Montgomery of Santa Clara college to establish his exclusive right to certain devices which are now used in most successful aero-planes. "I'm like other men. I'm not the sort to sit idly and see others reap all of the benefits of my investigutions."

This is the statement which Mont-This is the statement which Monfgomety made this afternoon during a
discussion of a new book on aeroplanes,
in which the Weights and other inventors are held to have made use of
the discoveries of Montgomery.

The author gives Montgomery credit
for having originated the combination
wing warning and covered surface on

for having originated the combination wing warping and curved surface on aeroplane that have made them successful. The impetus given aeroplane construction by the Wright brothers and other leaders in heavier-than-air machines, is traced directly to the flights of Professor Montgomery in this valley during 1905 and the publication, shortly after the flights, of the plans of the machine.

When asked what could be done in case it was proven that his patents

case it was proven that his patent, had been infringed, Professor Mont omery said:

gomery said:

"There is such a thing as annulling a patent."

"I formulated my course some time ago," added the professor. "I am not prepared to rush into any newspaper controversy. I don't wish to be hampered by any statements that I may make here."

PROPOSED AQUEDUCT TO COST \$50,000,000

NEW YORK, Nov. 24.—Proposals for one of the most remarkable pieces of aginering work ever undertaken were placed before the New York board of estimate today. The plans involve the expenditure of nearly \$50,000,000 for an aqueduct 300 feet below the streets to distribute the water supply which, in a few years, will be available from the great Catskill reservoir.

The aqueduct as proposed will be fourteen feet in diameter for the greater part of its twenty mile stretch, and will be bored through solid rock. It er part of its twenty-mile stretch, and will be bored through solid rock. It will run from the city's northern limits southward under Central park and beneath the great business districts of lower Manhattan, thence under the East river to Brooklyn, Williamsburg, Queens and Staten island. The present system of water mains will be connected with it.

TYPICAL WEATHER FOR EASTERN THANKSGIVING

WASHINGTON, Nov. 24.—Thanks giving day promises to be erisp and clear in most sections of the country—typical Thanksgiving weather. Actypical Thanksgiving weather. Ac-cording to weather forecasts, the tem-perature generally will be a little above the seasonable average, except in ower lake region and the Atlantic and

lower lake region and the Atlantic and gulf states.

There is a promise of snows and rains over the Michigan peninsula, but further west there will be declines in temperatures. Wyoming, Montana and the Dakotas are promised snow and falls in the mercury.

Clearing weather has followed the Atlantic coast states.

lantic coast storm in the coast states, but a disturbance is expected in the apper Mississippi valley. Elsewhere in the eastern half of the country the weather will be generally fair on Thanksgiving day.

BOSTON, Nov. 24.—The northeast

the City hospital, was announced to night by Dr. A. E. Ibershoff. The operation, according to Cleveland surgeons, is the first of its kind recorded, Dr. Ibershoff performed the operation a week ago and today announced its success. The tissue was used as the base for the setting of an artificial eye.

This was announced to the manner of the lot of the working classes. Her father, William K. Vanderbilt, sr., could only agree to disagree with his former wife, who is now Mrs. O. H.
